

How To Find Cassiobury Farm & Fishery

Cassiobury Farm is accessed on foot through Cassiobury Park, a beautiful 190 acre ancient parkland, once the grounds of the majestic Cassiobury House, home to the Earls of Essex.

There are six primary entrances to Cassiobury Park from Langley Way, The Gardens, Stratford Way, Shepherds Road, Rickmansworth Road and Gade Avenue. The closest entrance is from Gade Avenue, either from the on-street parking or via the main Cassiobury Park car park. The Farm is less than a 10 minute walk from here, and a 15 minute walk from most other entrances.

Disabled Parking is available on-site. Please call the Farm to reserve a bay.
